2020 First EPS Field Trip “The Good ‘Ol Junkyard” One of Our Favorite Locations

Hi Folks,

Guess what time it is? It's time for a return to the old car junkyard for another dose of classic cars, rust, broken glass, macro, wide angle, telephoto, and you-name-it shooting. I don't know if **David Putzier** will be able to source a model but either way this will be fun!

Where: Springfield Auto Recyclers. 750 S. 28th St, Springfield. East on Main Street Springfield, turn south on 28th Street, cross the railroad tracks and the establishment is on the right.

When: Saturday, February 8. 9 am to noon--no matter the weather. These folks don't generally work on Saturdays so they are doing us a favor. Thank them and be prompt.

Cost: \$5 per person at the door. This is a mandatory donation. :-)

Wear boots and outdoor clothes. Bring the camera gear that might work best for you. If this isn't your normal genre, embrace the opportunity to try something new. Plenty of subjects to take from different angles (ala the Challenge.) Plan to have fun!

Dave Horton, Field Trip Organizer

EPSer Bill Haynes "Featured Artist Show"

PhotoZone Gallery opens it's first "Featured Artist Exhibit"

Bill Haynes: In The Moment

**"Photography has little to do with the things you see and
everything to do with the way you see them."**

Elliot Erwitt

Any form of photography is of interest to me, but I especially like candid shots of people, particularly in black and white. People's moods and actions are best captured when they are unaware and they are best amplified when color is removed and just the basics remain. This collection demonstrates that. As you look at the images, put yourself in their place and feel what they feel. Elation, trepidation, concentration, reflection – all are there and more.
